

Divers Alert Network Instructor

Become an Instructor!

Prepare divers to prevent and manage dive incidents. Expand your course offerings so you can teach year-round and earn additional income. Enhance your teaching portfolio with additional credentials. Become a leader in dive safety, and help save lives.

Most instructor candidates begin with the Diving Emergency Management Provider (DEMP) program, which instructs candidates how to teach the four component courses shown here individually. It also covers how to teach the courses as the comprehensive DEMP program.

- Basic Life Support
- Neurological Assessment
- Emergency Oxygen
- First Aid for Hazardous Marine Life Injuries

Individual Price: **\$395.00** includes books Group rates vary
